DEDICATION

TO
Charles Cleaver

DEDICATION

We, the Annual staff of 1958 wish to dedicate the 1958 Edition of the Imbker Golden Reveries to Charlie Cleaver, whose life has been an example of his favorite quotation ;

"Living"

He has achieved success who has lived well; laughed-often and loved much; Who has gained the respect of intelligent men and the love of little children; Who has filled his niche and accomplished his task; Who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; Who has never lacked the Appreciation of Earth's beauty or failed to express it; Who has always looked for the best in others and who gives the best he has; Whose life has been an inspiration Whose memory a benediction—B.A.Stanley

We truly Believe that Charlie Cleaver, one of the few living pioneers of the Grande Ronde Valley, has set a fine example for us to follow, by his actions, thoughts, and his way of life—All we can take with us is what we do for others

ALMA MATER

Far below our great Blue Mountains
'Neath their heights so true
Stands our noble Alma Mater
Glorious to view.

Lift the chorus,
Speed it onward,
Loud her praises cry.

Hail to thee our Alma Mater,
Hail to Imbler High.

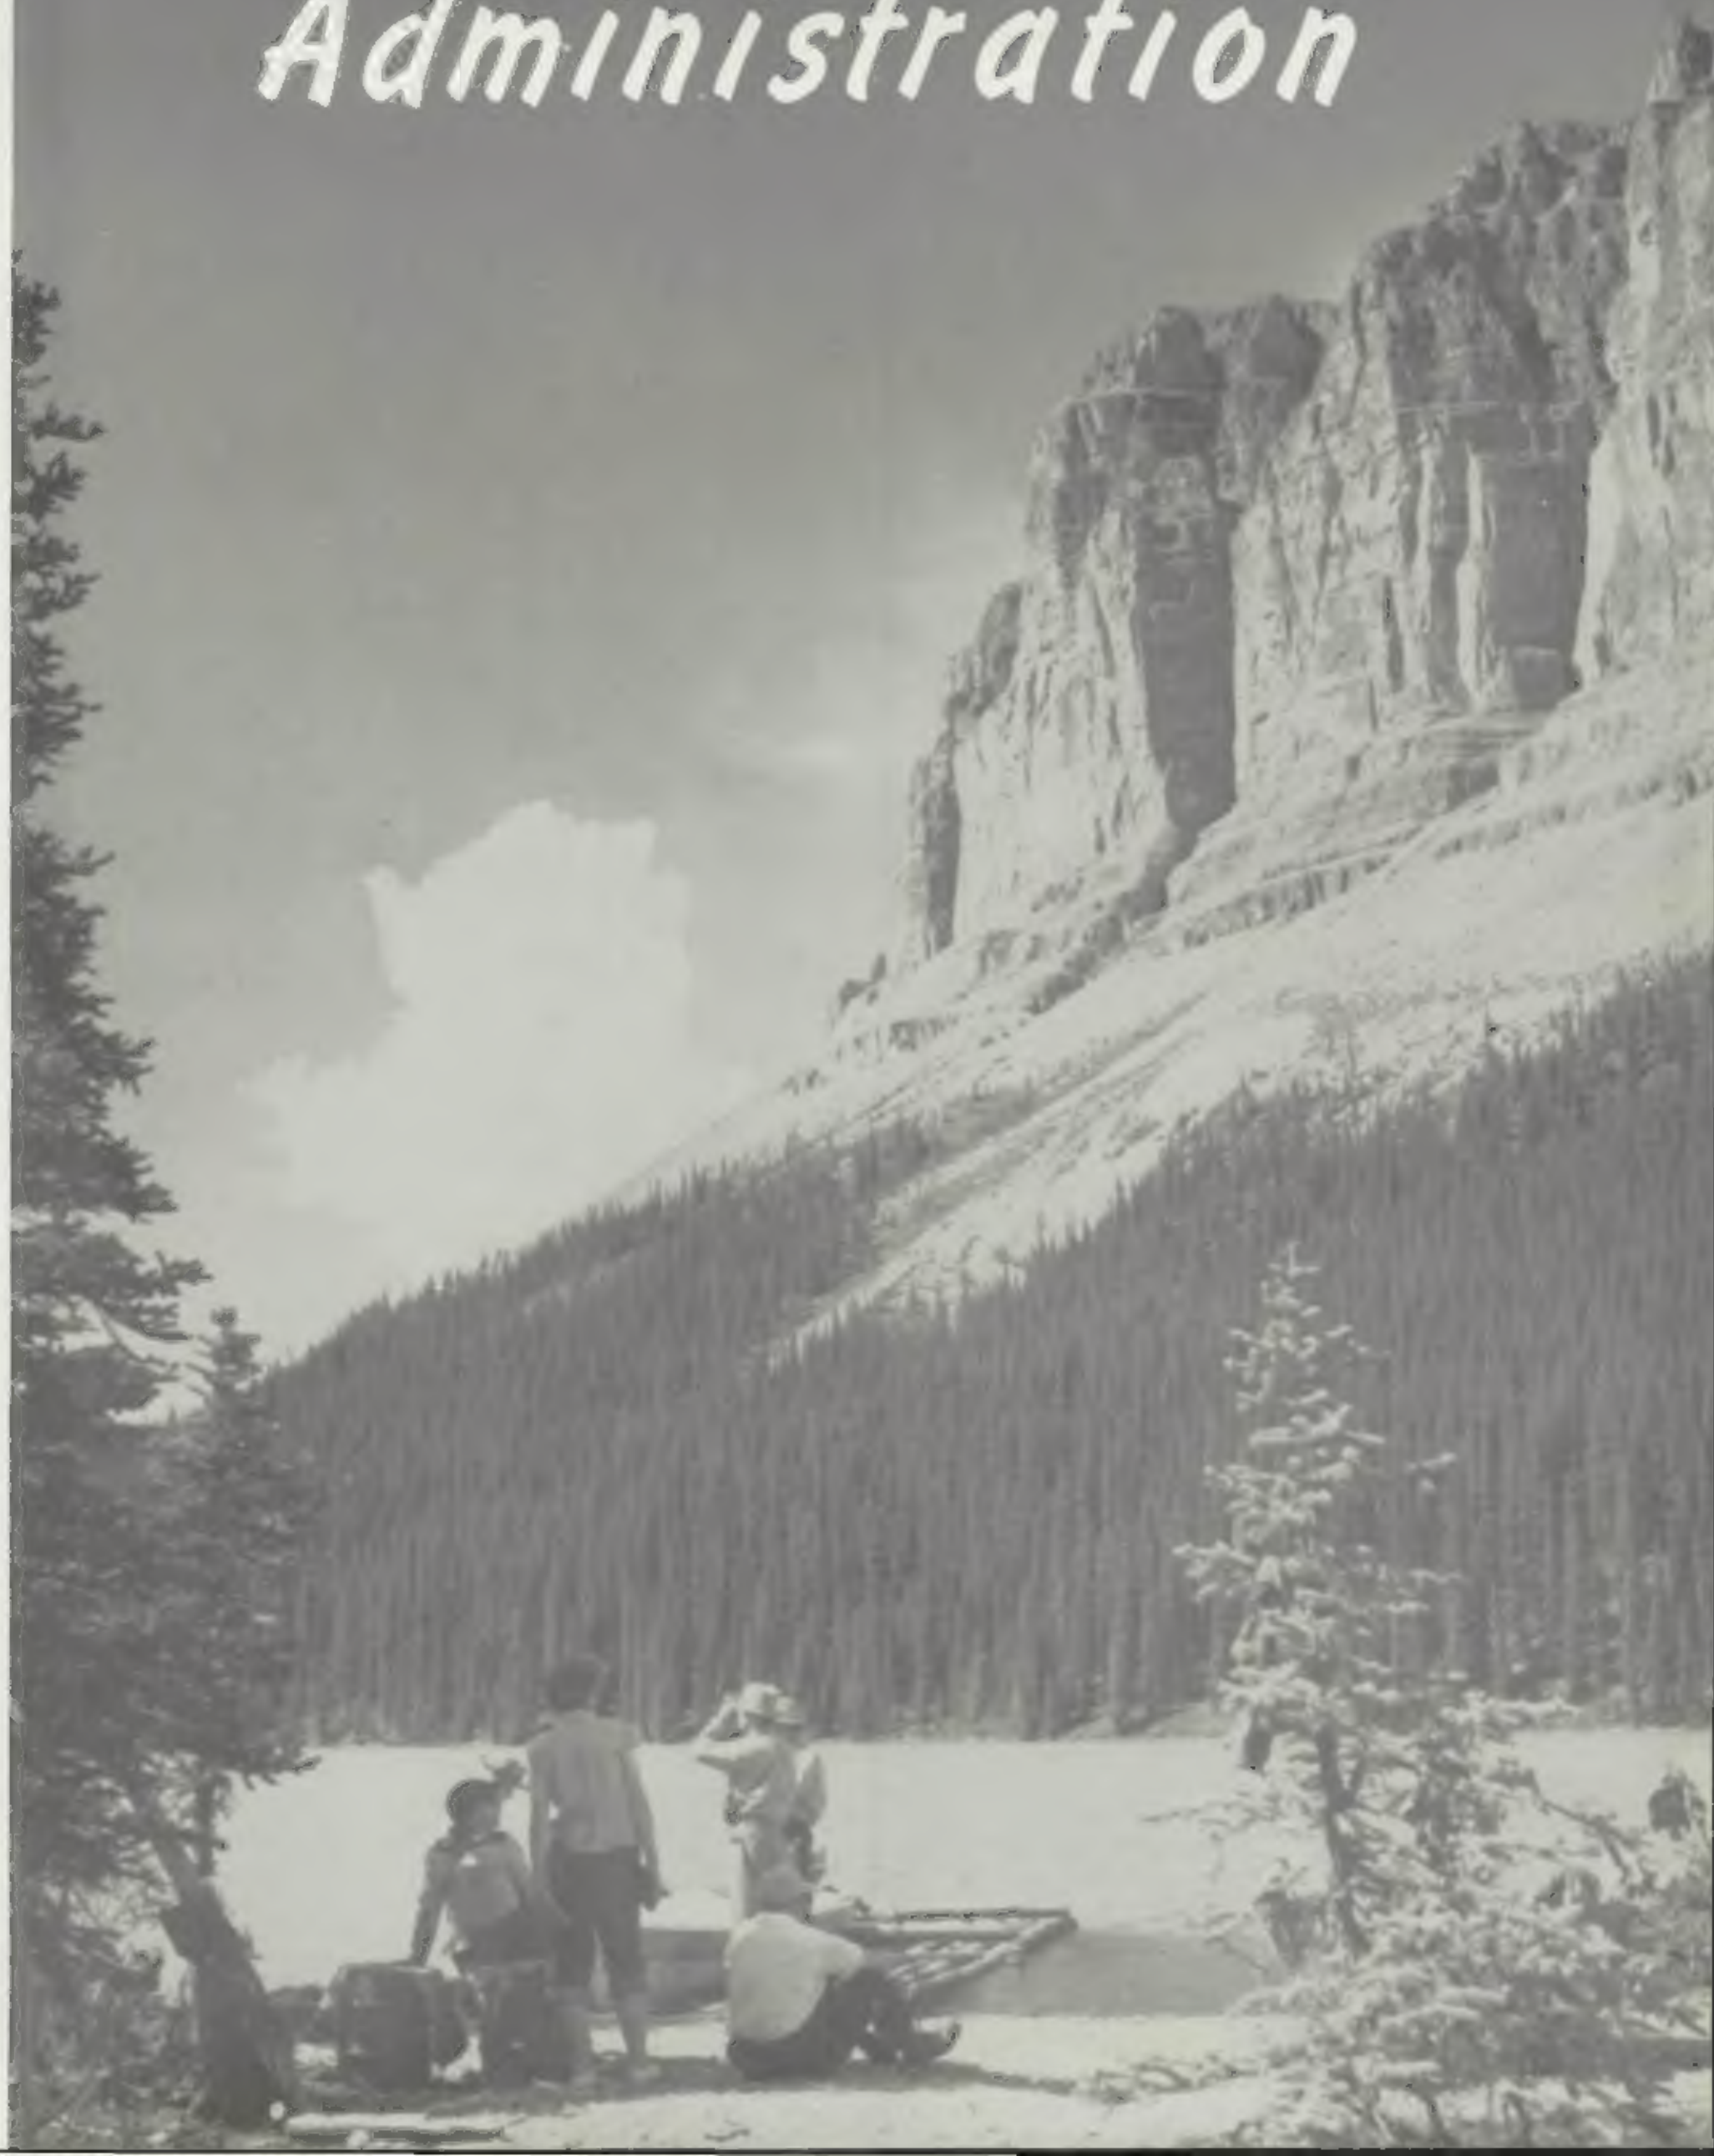

REMINISCING

Through great efforts of the people of the Imbler School District, the present school was built in 1910. After many hours of spirited discussion, they decided to build the school in the village of Imbler, on the site of the old lumber mill, at a cost of nearly \$30,000. The first Superintendent was W.V. Conner.

In 1925 the citizens of Imbler decided that a new gymnasium was needed. A donation of farm machinery, farm products, and livestock for a public auction supplied money for the building. As not enough money was raised at this auction, Mrs. Lucy Wade donated a large sum of money to carry out the building plans. Her only request was that it be named in memory of her brother Walter. Willingly people gave of their time and talent to help build Wade Hall.

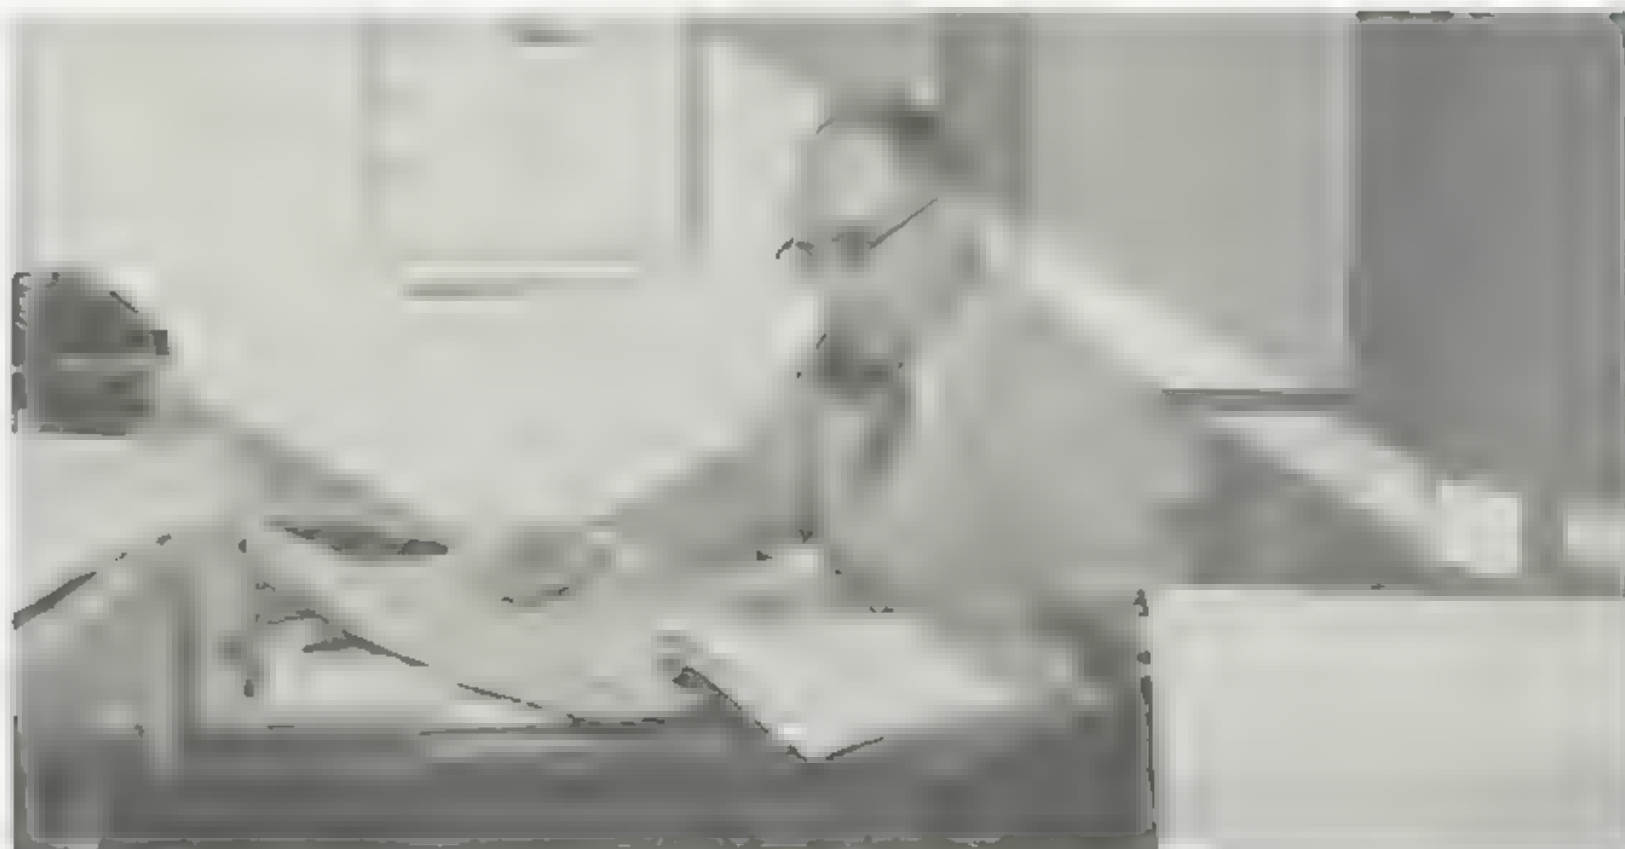

In 1930 a \$2,000 addition was added to the west end of the hall. The first graduation exercises were held in the new school in 1917. Members of the class were; Sylvia Wood, Marvin Lloyd, Melba Tuttle, Fern McKinnis, and Grace German. Some of the present pupils of Imbler Grade School are descendents of that first graduating class.

Senior Class Prophecy

- Dwight - Is a big time lawyer for the Court of Last Resort. Because he never won a case, so he is the last resort.
- Sue - Is a cremist and discovered a sure cure for mosquito bites. Recently she won championship for heavyweight wrestling. So you see she has gained confidence on the outside.
- Yrr - Is a famous psychologist and discovered that there is no perfect man so she came home and married Ardell Pugh so she could bring him up from the start.
- Ellie - Is a air line stewardess till she found that this profession didn't give her a lift so she joined the circus where she is still a high flyer on the trapeze. She's still chasing the fly boys on the side.
- Elaine - Is married to La Verne and they were the first couple to go to the moon for a honeymoon. They liked it so well up where they could be alone they never came back. Satellites on the moon are just the little Killers out playing in the moonlight.
- Jim - Owns a big owl ranch in Texas. He has endowed a school for juvenile delinquents and spends most of his weekends there - so he won't miss his old pals.
- Pat - Is married to Rosalee and has made a big name for himself as a plane mechanic. He found out that children are cheaper by the dozen so he has his order in for two dozen.
- Weldon - We found him in Hollywood when we heard the girls all screaming and swooning. There he was strumming on a Jews harp and singing like Simon Crumb.
- Raymond - Owns the largest farm in the Grand Ronde Valley. Course he inherited it from his father-in-law but he did alright for himself as an electronics engineer until they perfected the electronic brain and couldn't use him any more. He came home and married Lynn who had grown tired of trying to make a big man out of Ardell and they are now living in Weldon's trailer house.
- Bob - Found farming didn't pay off so now he is selling sputniks - two door or four door Ford models. He is still crazy about raising things, however, so he owns a small patch on the side of Mars where he raises heck every Saturday night.
- Clifford - Is now a Vet. He got his training in horse culture and then found the horse extinct so he transferred to white mice.
- Ren - Is helping Smoky the Bear keep Oregon Green. Of course, he took a little course on the side in female dress designing so all of Oregon isn't quite as green as it was.

CLASS HISTORY

In 1957 the Junior class started out with an attendance of 14 members. During the first semester of school, Jimmy Patterson left us to attend school at Portland. Next CUPID stepped in to run off with Helen Silsby and Bonnie Hawks. We are now a class of 10 members: Gene McLaughlin; Mickey Dougharity; Judy Houtz; Louise Scott; Joyce Billerbeck, Student body secretary; Rosalee Tuck, Student body room; Bonnie Hawks, Student body treasurer; Louise Scott, Student body secretary; and Patrick.

Activities for the year have been our consession booth during football and basketball, which is helping the financial side of the Junior-Senior Prom that is going to be held April 26. In December we had a Christmas party at Mrs. Morgans, class supervisor, with refreshments. We also had a party at the Imbler P.T.A. on before the student body and the Imbler P.T.A.

During the month of February Charlotte Coffin worked on a speech sponsored by the American Legion oratorical contest on the Constitution. Due to lack of information and time she forfeited her right to speak.

Participating in football this year was Gene McLaughlin playing left end and Mickey Dougharity at center.

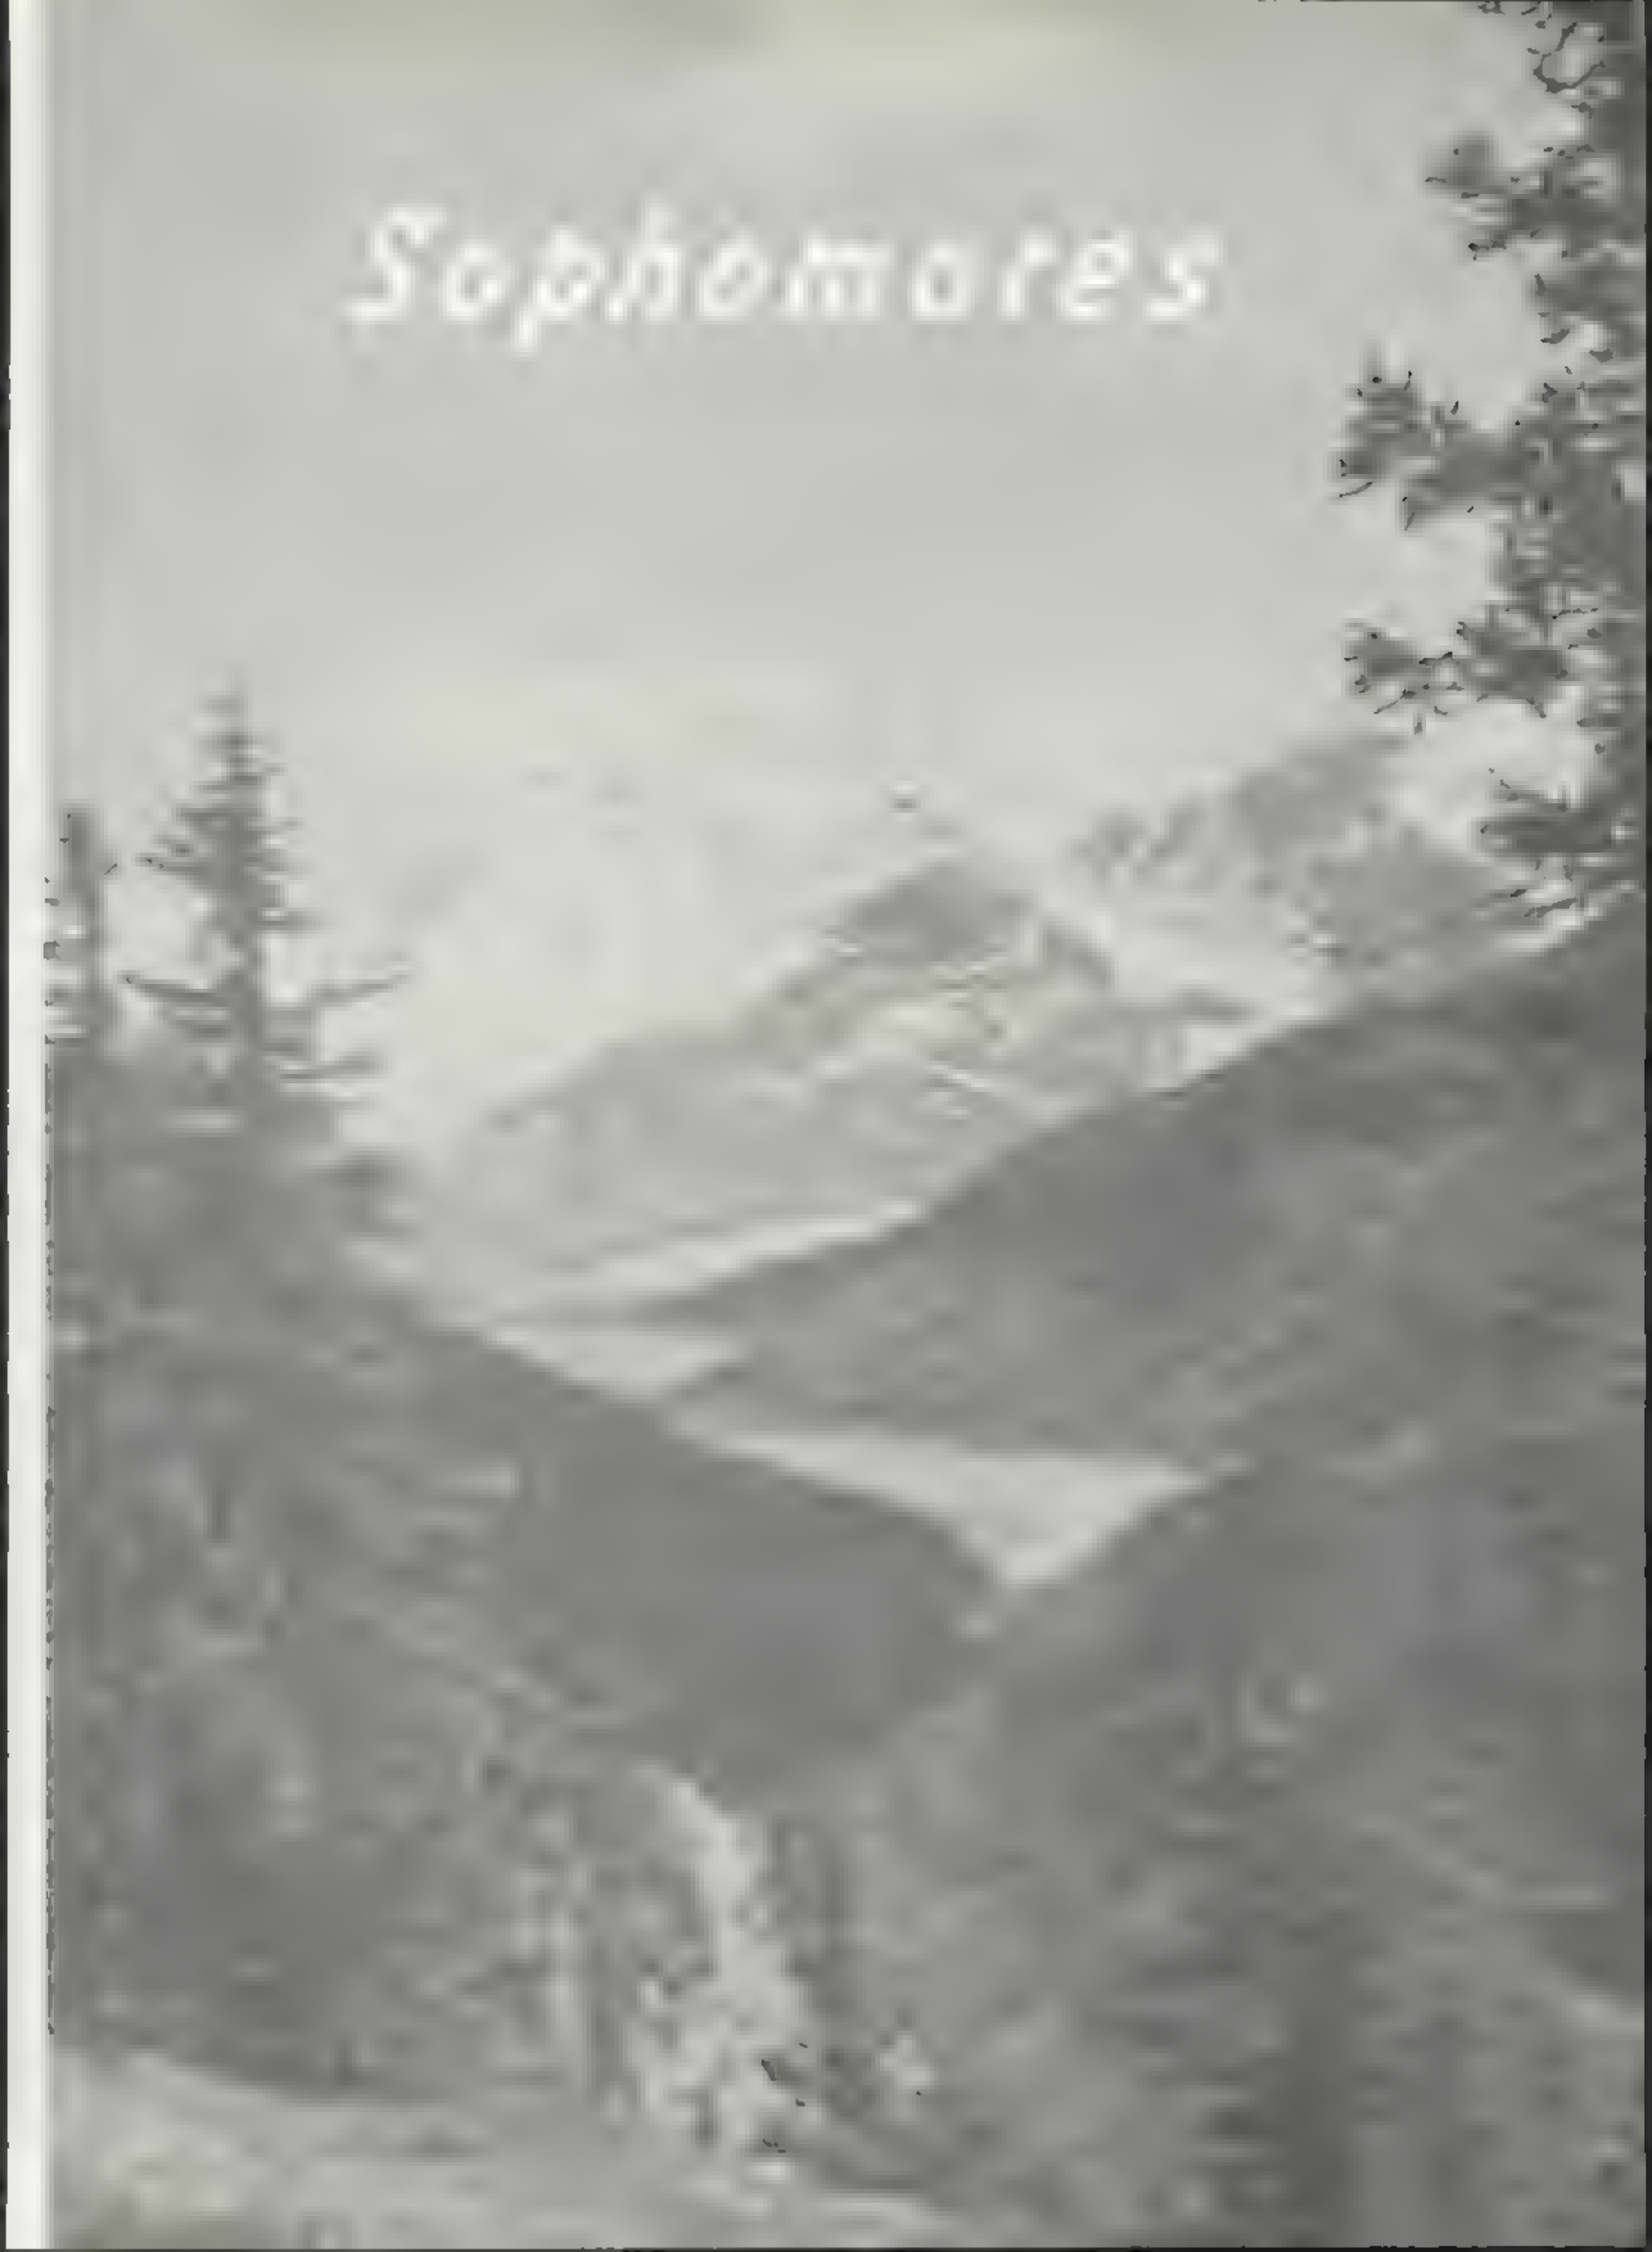

In girls sports we had participating in basketball: Bonnie Hawks, Rosalee Tuck, Louise Tuck, and Joyce Billerbeck. Louise Tuck is the only girl participating in volleyball.

The first of March Joyce Billerbeck was chosen as "Fair Maid" for the 1958 Union fair. She will ride in the parades at Pendleton, Joseph, Union, Elgin, and La Grande.

Louise Scott entered the "Pillsbury Bakeoff". She entered a pastry called "Lilies".

The Junior class is eagerly awaiting their Senior year.

During the past summer and fall the F.F.A. participated in five contests. At the Union County Fair, the boys won sixteen ribbons. Two blue ribbons were won at the State Fair.

Several boys competed for a place on the Judging Team. In September a group of boys attended the Pacific International Livestock Show at Portland. Some of the boys sold their animals at this exposition.

At the Union District Shop Contest, Pat McDaniel won a first place in acetylene welding. Weldon Gorham won a second place in arc welding, and second place ribbons were given to Clifford Scott and Brian Altmiller for soldering.

A Parent and Son Banquet will be held in the Spring. This fall, Lynn Wieden was re-elected F.F.A. Sweetheart.
